ABOUT ME

My name is Jakub, I am 22 years old. My professional goal is to constantly develop myself by acquiring new skills, learning and taking on challenges. I am not afraid to face difficulties and can commit myself to work. I like to perform assigned tasks with honesty and integrity, which allows me to learn and organize my work effectively. I like to maintain good contact with customers and build positive relationships. It is important to me to leave a legacy of high quality work. I am a positive and open-minded person who has high ambitions and wants to grow through work and learning.
